1. Wheel-away Posts

This product conforms to BS EN 1509 FOR CLUB USE

- * Our most popular model.
- * All steel construction.
- * Netting can be drawn very tight without movement of the upright and base.
- * 50mm uprights complete with net hooks, cleats and grooved top.
- * Posts are attached to the base with a locking thumbscrew and can be easily detached for storage.
- * The T shaped bases have built-in weights and wheels and are fitted with rubber pads for floor protection.
- * The wide double wheels are housed in an extra strong fabricated bracket and will not mark or dent floors.
- * Uprights can be supplied welded to the base at extra cost.

Weight per base 16.7kg. Total weight 40kg (Set of 2).
BD-08 £170.50

2. Educational Model - Wheel-away Posts
